**SWIMMING POOL SAFETY STATEMENT**

A portion of each foster or adoptive home assessment addresses “health and safety” issues for children placed in the home. By law, pools must be fenced with a locked gate or fence to prevent unsupervised access. In addition, the pool must meet all applicable community ordinances. Additional measures, such as a patio door or pool access door alarm should be in place.

Please complete the following statement, which will become part of your home study.

\_\_\_\_\_ I/We do not have a swimming pool.

\_\_\_\_\_ I/We do have a swimming pool.

\_\_\_\_\_ The swimming pool is safeguarded from children by the following means:

\_\_\_\_\_

\_\_\_\_\_

***On the home visit, the social worker must observe the swimming pool safeguard methods.***
